LUXURY HOTEL SUITES

BURSWOOD ENTERTAINMENT COMPLEX

PERTH

- 1. SNUG WITH FEATURE FIREPLACE
- 2. BAR
- 3. POWDER ROOM

A major refurbishment and extension to provide 2 highly individual 450msq presidential type suites for high roller clients. A master bedroom suite with 2 walk in robes and 2 bathrooms including steam showers, spas and unique marbles. 2 further guest rooms, a timber panelled entry gallery, living room, dining area for 10 people and snug are all finished to the highest level of quality including handmade carpets and bespoke joinery. A separate kitchen area and butler's pantry provide 24 hour service. The ambience is luxury apartment rather than hotel, complete with a covered terrace and outdoor dining area.

BURSWOOD INTERCONTINENTAL HOTEL PERTH

1. GENERAL VIEW
2. BEDHEAD
3. VIEW INTO BATHROOM
4. TV CABINETRY

A luxurious refit of rich finishes, maximising natural light and views. Including the connection between spa bathroom and the room as the perfect resort style offer.

PROTOTYPE HOTEL ROOM

BURSWOOD INTERCONTINENTAL HOTEL PERTH

- 1. BEDHEAD
- 2. GENERAL VIEW TOWARD BATHROOM
- 3. WINDOW SEAT

A soft refurbishment minimising construction work to provide a light and bright streamlined room maximising space and views with a restrained sense of luxury.

THE LANGHAM

LANGHAM HOTEL ENTRANCE

LANGHAM HOTEL MELBOURNE

- 1. ENTRY DOOR
- 2. PORTE COCHERE
- 3. WAITING AREA

As part of the Langham upgrade program, a new entry porte cochere was designed with weather protected waiting areas, concierge and an elegant front door creating the Langham experience from entry.

CHUAN SPA LANGHAM HOTEL MELBOURNE

1. Moongate entry and reception
2. External spa pavilion with city views
3. Pedicure treatment room
4. VIP treatment suite

The Langham Hotel, formerly the Sheraton Southbank, is a luxury five star property well located on Southbank but lacking much of the core facilities typically expected in the top end of the market today. As new owners of the hotel, The Langham Group recognised the need for an extensive spa offer to underpin the five star status and leverage the potential of prominent roof top space with spectacular views of the city.

The brief was to create a calm luxury environment with references to the Asian origins of the Chuan brand and its owners. 15th and 16th Century Chinese references were the inspiration behind the clean lines expressed in the joinery and fitout. This, coupled with luxurious textured finishes and atmospheric lighting, create a sense of expansive serenity.

CHUAN SPA RETAIL AREA

MELBOURNE
LANGHAM GROUP

As part of the ongoing policy of improving venues within the Langham Group, WEBB+ was commissioned to provide an upmarket retail area to the spa as part of building the Chuan range of products. Contemporary lighting and presentation combine with the elements derived from the original design to create a dramatic retail wall for the full range of products.

FLAVOURS OF LANGHAM

MELBOURNE

LANGHAM HOTEL

“AN ENVIRONMENT THAT TRULY REFLECTS THE LANGHAM BRAND AND PRODUCTS”

The brief from the Langham Melbourne was to provide a brand focussed retail outlet that provided basic needs but also gave customers an opportunity to acquire something of the “Langham experience”. Branded products, hotel consumables and spa products are presented in a unique but neutral environment that typifies Langham’s aspirational values.

PROTOTYPE HOTEL ROOM

LANGHAM HOTEL MELBOURNE

The Langham Melbourne occupies a commanding position along the renowned Southbank promenade. Within the hotel, guests discover a world of modern yet timeless elegance.

The soft refurbishment of the guest rooms was to encompass the 5 star luxury accommodation, inclusive of traditional charms, with current technological provisions.

Custom designed carpets and delicately patterned wall coverings remind guests of an elegant era, as do the triple layering of silk drapery, and the rich, warm timber tones of the furniture pieces. Traditional fabrics (some from the Buckingham palace archives) were selected, and decorative details employed to add the final and tangible luxurious touches.

MOONAH LINKS
HANDBURY GROUP
FINGAL, VIC

Moonah Links, the home of the Australian Golf Open is located in the picturesque heath country of the Southern Mornington Peninsula. Often exposed to dramatic changes in weather, the brief for the exclusive golf lodges bordering the 18th hole was to produce an interior design scheme that reflected the expectation of corporate clients with a passion for golf.

The resulting scheme uses strongly masculine, textured finishes providing a rugged but sophisticated interior with strong references to the surrounding golf environment.

THE SANDS HOTEL TORQUAY

The brief for The Sands was to provide an interior design solution for a 96 room hotel project in a coastal golf course environment that appeals to owner/investors for personal & corporate use.

To achieve this WEBB+ used interior design that relies on a consistently neutral palette throughout with strong key accents & colour references evoking a domestic ambience.

Fumed timber & soft textured materials subtly relate to the seaside location without relying on obvious references.

Operational constraints fully realised through careful selection of finishes.

SOFITEL HOTEL REFURBISHMENT

SOFITEL HOTEL MELBOURNE

The Melbourne Sofitel Hotel refurbishment at the top of Collins Street was completed in 2006. The refurbishment incorporated updating the Lobby areas and transforming the Hotel's main bar, Level 35 Atrium Bar.

FUNCTION ROOMS

ASTRAL BALLROOM

BURSWOOD ENTERTAINMENT COMPLEX

PERTH

“CUTTING EDGE
TECHNOLOGY COMBINED
WITH STRONG
CONTEMPORARY DESIGN”

1. CHANDELIER
2. BALLROOM
3. BALLROOM

The Astral Ballroom brief called for an elegant but dramatic space that could also cover the full range of audio visual requirements expected by the current market.

Dramatic custom design sunflower bursts on dark chocolate carpet combine with fully automated contemporary chandeliers above. Adding to the drama of the space, alabaster light panels, timber, marble and fabric wall panels complete the sumptuous story.

LA TROBE BALLROOM

MELBOURNE
SOFITEL

The LaTrobe Ballroom, a new addition to Sofitel Melbourne's inventory of function spaces, offers a cutting edge contemporary space with an extensive AV facility, in contrast to the more conservative offers of their competitors. The innovative ceiling layout and programmable lighting system allows a myriad of moods within the room. The strong geometric patterns of the carpet and dramatic wall lighting anchor the venue as a genuinely contemporary space.

FLINDERS AND YARRA FUNCTION ROOMS

LANGHAM HOTEL MELBOURNE

1. FLINDERS ROOM
2. FLINDERS ROOM
3. YARRA ROOM

To support the ballroom, a series of smaller meeting rooms supplement the function rooms offer, providing flexibility for all meeting and function sizes. The brand remains demonstrably 'Langham'.

FITZROY BALLROOM

MELBOURNE

SOFITEL HOTEL

A masculine palette of deep Aubergines, earthy Greens, and Chocolate timbers were used for the refurbishment of one of Melbourne's premier function venues, the Fitzroy Ballroom at the Sofitel Hotel.

Reds, Coppers and Golds spark and contrast the scheme whilst the dark coloured suspended ceiling is balanced with the pale carpet background and the striking carpet motif reflects the Halian wallpaper design on a grand scale.

3 metre high deco inspired wall lights installed above a solid timber chair rail and timber panel below break up the expanse of the high walls and a multitude of pendant ring lights provide light to the center of the room and decorate the expansive ceiling.

The extensive interior design refurbishment is complemented with the latest AV and audio equipment.

TOWER SUITES

MELBOURNE

SOFITEL

With views across Melbourne the Sofitel Tower Suites provide an elegant, understated palette that suits the broad range of uses these spaces are required to fulfill. Traditional finishes with contemporary details provide a boardroom feel to the spaces that work equally well as a day or night venue.

VICTORIA SUITES MELBOURNE SOFITEL HOTEL

1. CONFERENCE SETTING
2. FEATURE CARPET AND WALL LIGHTS
3. CONFERENCE SETTING

The Victoria Suites are a function space best suited to more intimate corporate or social gatherings. The hotel's brief entailed provisions for various lighting options, installation of the latest AV equipment and refurbishing the space with warm and rich finishes.

Automated, ceiling recessed screens and projectors are installed in each ceiling coffer which are finished in a subtly reflective paint and highlighted with up lighting from custom pendant rings.

Rich Beige Aubergine and Red tones are woven into the custom designed carpets and the complementary wallpaper is enhanced with a multitude of gold wall lights.

The outcome is a sophisticated yet functional space.

LANGHAM HOTEL BALLROOM
 LANGHAM HOTEL
 MELBOURNE

3.

1.

4.

2.

A soft refurbishment with a focus on maintaining the classic brand that represents the Langham in the marketplace. The work, including redesign of carpets provides a more dramatic entreatment within the existing architecture of the spaces.
