## DORIC Constructions

Project Burswood 2008 Works

Architect Webb Plus Pty Ltd

DORIC was engaged by Burswood Entertainment Complex to complete the refurbishment/renovation of three critical areas of the Entertainment Complex. The projects were Casino Main Entrance, Buffet Poker and Diamond Lounge. The Main Entrance project comprises part new built and part refurbishment, which needed to tie into existing buildings on three sides and to the colonnade on the fourth side. One of the structural columns of the colonnade had to be made redundant by pouring a concrete up-stand beam to allow double sliding doors to be fitted. All three projects required close co-ordination between stakeholders to minimize the impact on day to day operations.
